## Charlotte-Mecklenburg Schools

January 2019

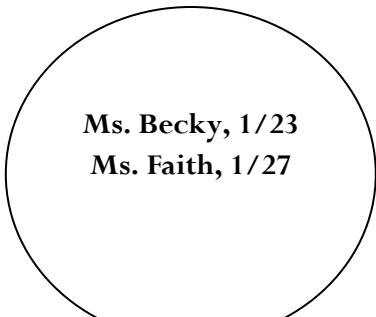

### Update...

We hope everyone enjoyed their break! We are excited for a new year as it is another opportunity to make progress and reach new goals!

PLEASE be mindful that it is cold and flue season. Sickness spreads fast in our classrooms. Please remind students of the proper way to cough/sneeze into their sleeves, use tissues, and wash hands. Students with diarrhea, vomiting, or a fever have to be 24 hours free of these before returning back to school.

Please make note of the dates to the left as we have a half-day and several days off in January.

Sincerely, Michele and Becky
